Ocean Springs Middle School

This year's annual is dedicated to the spirit, not only of Ocean Springs Middle School, but also of the Mississippi Gulf Coast. It is also dedicated to the people who provided mercy, safety, and rescue along the way. It is our earnest prayer for the continued protection of each person in Hurricane Katrina's wake. May we comfort those who have lost loved ones, those who have lost their homes, and those adversley affected by the storm. May we hold up their hearts . . . May we hold up their hands.. May we reunite children with their parents and help them not be afraid. May we stir vision in those who have been called to be rebuilders.

We have been through so much and still there is much to accomplish. The light at the end of this tunnel can be seen. It is only through the combined efforts of all, students, faculty and community, that we can bring forth a greater tomorrow and hope for a better world.

The darkest hour is the best time to see the stars. Keep your spirits up; you'll find that optimism is very refreshing. The wisest people on earth are those who have a hard time recalling their worries . . . and an easy time remembering their blessings.

Douglas Pagels

We proudly salute Mr. Greg Denyer, Mrs. Susan Denyer and Mr. Ricky Jones . . . Retiring after a combined total of 101 years devoted to educating children. We wish you peace and happiness. Thanks for the memories !
